Cabin Crusaders is one of Ireland's most inspiring examples of how passion, local craftsmanship, sustainable design, and entrepreneurial spirit can come together to build a thriving multi-type alternative accommodation business.

Based in **County Leitrim**, this fast-growing company designs and builds **bespoke, energy-efficient cabins** that have transformed how people experience rural stays across Ireland.

Their story began with a simple belief: that **"small spaces can create big experiences."**

From humble beginnings crafting one cabin at a time, Cabin Crusaders has evolved into a respected name in Irish alternative accommodation —showcasing modular cabins, cottages and lodges on stunning sites across the country.

Best Practice

An inspiring example of how designed entrepreneurship supports Ireland's sustainable alternative tourism accommodation.

- ❖ A passionate, creative Irish company leading the alternative accommodation revolution.
- ❖ Delivers full “build to business” solutions for tourism hosts.
- ❖ Combines sustainability and green practices with storytelling to reach global audiences.
- ❖ Builds community partnerships and local jobs across rural Ireland.

Wow Factor!

Whether perched on a lakeshore, nestled in woodland, or overlooking the Atlantic, each Cabin Crusaders project feels hand-tailored to its landscape.

Their approach blends architectural precision with Irish warmth and hospitality, the unexpected WOW factor all proving that comfort, beauty, and sustainability can coexist even in the wildest locations e.g. they provide private hot tubs, little welcoming details, welcome packs, and locations in secluded stunning settings such as woodlands and countryside valleys.

“What really stood out was how they cared about the story of our land — not just the build.”

— *The Blueway Hideaway, Drumshanbo*

“

“We don't just build cabins — we build opportunity. Every cabin we create helps someone bring guests closer to nature and keeps rural Ireland alive.”

— *Lorcan Kearns, Founder, Cabin Crusaders*

Cabin Crusaders are more than cabin builders — they're storytellers building unique unforgettable stays!

Their cabins aren't just for private use — they're powering local tourism destinations and entrepreneurial dreams across Ireland.

- **Guest Experience:** Every cabin feels immersive and personal. Many include wellness-focused features — hot tubs, saunas, or outdoor decks designed for stargazing and slow living.
- **Design Excellence:** Each unit is handcrafted, using Irish timber and modern insulation systems to ensure comfort in all seasons. The craftsmanship shines through in every detail — from cedar cladding to panoramic glass fronts that frame the Irish countryside.
- **Sustainability at Heart:** Cabins are energy-efficient, many built for off-grid living, with solar panels, rainwater harvesting, and composting options.
- **Turnkey Solutions:** Cabin Crusaders also work with other alternative tourism accommodation businesses, guiding and supporting them on their journey — from site selection and building to branding, interiors, hosting and launch strategy.

Lakeland Lodge, Restored Log Cabin, Kinlough, Ireland

Lakeland Lodge is a 17th-century Bavarian charm and a meticulously restored log cabin nestled in the serene village of Kinlough, County Leitrim. Originally built by German farmers over 300 years ago, this architectural gem was carefully relocated and rebuilt by renowned architect Gehrig. Immerse yourself in the rich history and modern comforts of this unique property, surrounded by the tranquillity of the Irish countryside and the stunning beauty of Lough Melvin.

The lodge features two inviting bedrooms, one with its own private stove for added warmth and cosiness. A rustic kitchen with breathtaking lakeside views awaits, alongside an old-style sitting room complete with a dual-style stove for ambience and warmth. The bathroom, boasting a luxurious Victorian-style bath, offers a touch of classic elegance. Outside, unwind in the soothing hot tub while taking in panoramic views of Lough Melvin from the balconies on each floor.

Set on four acres of lush countryside, Lakeland Lodge provides ample space to explore and enjoy the natural beauty of the region. Savor a morning coffee on one of the balconies, overlooking the tranquil waters of Lough Melvin, and let the peaceful surroundings rejuvenate your spirit.

‘Lakeland Lodge is more than just an accommodation; it's an immersive experience where history, nature, and modern luxury seamlessly intertwine.’

At Lakeland Lodge, we understand that pets are cherished members of the family. That's why we warmly welcome your furry companions to join you on your tranquil retreat in the Irish countryside. To ensure a cozy and comfortable stay, we provide a complimentary welcome basket filled with a generous supply of locally sourced turf, typically sufficient for an average two-night stay, along with freshly ground coffee from a nearby roaster. Should you require additional fuel for the wood-burning stove, we kindly request that you purchase timber from one of the local shops, supporting our community and minimizing our environmental impact.

5 Éada Valley Cottage, Thatch Cottage, Glenade, Ireland

Step back in time and discover the allure of [Ghleann Éada Cottage](#), a traditional thatch cottage nestled amidst the scenic beauty of Glenade Valley. This enchanting retreat has been lovingly restored to offer a cosy and authentic experience, with breathtaking views of Glenade Lake and the towering Eagle's Rock. Ghleann Éada Cottage, featuring two double bedrooms, a renovated open-plan kitchen and sitting area with a wood-burning stove, a full bathroom, and a cosy snug, is the ideal setting for a tranquil retreat in the heart of Leitrim's picturesque countryside. The updated kitchen and sitting area boast a pitched roof, creating a bright and airy living space that showcases the beautiful mountain views through the large bay window. To ensure an authentic Irish cottage experience, firewood is provided for the stove, complementing the modern comfort of underfloor heating. Throughout the cottage, you'll discover charming ornaments and vintage pieces that add to the unique character and history of this lovingly restored dwelling.

'We believe that by extending our hospitality to your pets and encouraging sustainable practices, we can create a more inclusive and eco-conscious experience for all our guests'. - Cabin Crusaders

6 Fiadh Rua Cabin, Tiny Home, Kinlough, Ireland

Promotional Strategy & Market Reach

Cabin Crusaders has mastered modern storytelling — using digital tools and real-world showcases to grow visibility. Their marketing focus on **authentic storytelling and visual quality** has earned them thousands of organic followers and repeat business referrals.

- **Instagram, TikTok & Facebook:** Regular updates on new builds, property walk-throughs, installations, customer success stories, and stunning drone footage.
- **Events & Partnerships:** Frequent presence at shows and tourism fairs, where they connect directly with other providers, tourism organisations, hosts, investors, and future accommodation entrepreneurs.
- **Collaborations:** Working with accommodation providers across Ireland to create “Cabin Crusaders Showcase Stays” — real cabins guests can book to experience the quality first-hand.

Prove Small, Smart Design Can Create Big Community Impact

Cabin Crusaders embodies everything EPIC STAYS stands for — **innovation, sustainability, quality, and community.**

- **Eco-Design Leadership:** Their builds set a benchmark for low-impact, modular tourism.
- **Empowering Entrepreneurs:** They enable other small businesses to start alternative accommodations without the barriers of traditional construction.
- **Circular Local Economy:** They hire where possible Leitrim craftspeople, source Irish timber, and work with local transporters and trades.
- **Brand Storytelling:** Their strong digital presence turns Irish craftsmanship into an international showcase.
- **Adaptability:** From luxury lakeside pods to forest wellness cabins, their models fit Ireland’s diverse landscapes and planning contexts.

*Cabin Crusaders ultimately prove as a model of **regenerative tourism innovation** — proving that small, smart design can power big impact for local communities.*
